Hi Carol- Thank you for your interest in the Basin Plan Amendment, we value your input.
Staff has extended the comment period until Jan. 29, 2009.

Would you like us to add you to our email notification list to eliminate paper mailings? please let me know if you may also sign up yourself at: http://www.waterboards.ca.gov/resources/email_subscriptions/reg1_subscribe.shtml

Dear Lauren Clyde,

I'd like to add a vote of support for Brenda Adelman and RRWPC's request for a longer comment period and late January workshop date on the Basin Plan Amendment. As you know public comment is valuable for getting anything done smoothly and effectively in Sonoma County. Your process should be as accessible as possible public input.
